## How to make your Party hats

String or ribbon, hole punch.

Optional: glue, pom pom or red nose

1. Cut out the Party Hat shape using scissors.
2. Cut your string to length measuring on the child's head
3. Punch out a hole on either side, cut a slit on the dotted lines.
4. Glue or fold the tab into the slot. (If folding make sure to cut a small slit into each side of the tab so it locks in place.)
5. Glue a pom pom (or a red nose!) on top, (Optional) and tie some string through the holes.
